

## Goonhavern Primary School

**Nurture the seed and together we will grow**

### **Aims**

This policy sets out the ways in which Goonhavern Primary School encourages pupils to develop their understanding of the four key areas defined by DfE as British values, through the curriculum, extracurricular and other opportunities.

### **Ethos**

At Goonhavern Primary School we ensure that through our vision, values, relationships and teaching we promote tolerance and respect for all cultures, faiths and lifestyles.

The Governors also ensure that this ethos is reflected and implemented effectively through school policy and practice and that there are safeguarding policies in place to safeguard and promote pupils' welfare.

We have a duty to prepare our pupils for life in modern Britain and to keep them safe. Everyone at Goonhavern Primary School has the right to learn and work in safety. We do not tolerate bullying of any kind and will challenge derogatory language and behaviour towards others.

### **Background**

As of November 2014 the government published guidance on promoting British values in schools to ensure young people leave school prepared for life in modern Britain. Within this, all schools are required to ensure that the curriculum actively promotes these fundamental British values.

### **Definitions**

Fundamental British values are defined by the DfE as:

- Democracy: Respect for democracy and support for participation in the democratic process
- The rule of law: Respect for the basis on which the law is made and applies in England
- Individual liberty: Support and respect for the liberties of all within the law
- Mutual respect and tolerance: Support for equality of opportunity for all and respect and tolerance of different faiths and religious and other beliefs

### **Curriculum**

We are committed to ensuring that our pupils are offered a broad and balanced curriculum that aims to prepare them for life in modern Britain. We encourage our pupils to be inquisitive learners who are open to new experiences and are accepting of others. Our values support the development of the whole child as a reflective learner within a safe respectful learning environment. Teaching the schools' PSHE values alongside the fundamental British values supports quality teaching and learning, whilst making a positive contribution to the development of a fair, just and civil society.

Through our balanced curriculum and SMSC we aim to actively promote principles that:

- Enable pupils to develop their self-knowledge, self-esteem and self-confidence
- Enable pupils to distinguish right from wrong and to respect the civil and criminal law of England
- Encourage pupils to accept responsibility for their behaviour, show initiative and understand how they can contribute positively to the lives of those living and working in the locality in which the school is situated, and to society more widely
- Enable pupils to acquire a broad general knowledge of and respect for public institutions and services in England
- Further tolerance and harmony between different cultural traditions by enabling pupils to acquire an appreciation of and respect for their own cultures
- Encourage respect for other people, paying particular regard to the protected characteristics set out in the Equality Act 2010
- Encourage respect for democracy and support for participation in the democratic process, including respect for the basis on which the law is made and applied in England
