

Goonhavern Primary School

Nurture the seed and together we will grow

Safer recruitment policy

Introduction

Goonhavern Primary School is committed to safeguarding and promoting the welfare of children, and expects all staff and volunteers to share this commitment. In this context, it is vital that Goonhavern Primary School applies recruitment and selection procedures that identify people who are unsuitable to work with children. The measures described in this policy should be applied in relation to everyone who has sole responsibility for the care of the children for any length of time and, at the discretion of the Headteacher, those who regularly come into contact with children in a supporting or voluntary capacity. This policy has been developed to embed safer recruitment practices and procedures throughout Goonhavern Primary School and to support the creation of a safer culture by reinforcing the safeguarding and well-being of children and young people in our care. This policy reinforces the conduct outlined in the school's code of conduct as well as the school's whistle blowing policy, of which all staff are expected to be familiar with. All successful candidates for paid or volunteer employment will be made aware of these documents.

The nominated Governor is Richard Morse.

Goonhavern Primary School's Safer Recruitment and Child Protection Policies draw upon guidance from:

- Keeping Children Safe in Education, DFE, September 2020
- Working Together to Safeguard Children, HM Government, July 2018

Aims

This policy is an essential element in creating and maintaining a safe and supportive environment for all pupils, staff and others within the school community and aims to ensure both safe and fair recruitment and selection of all staff and volunteers by:

- attracting the best possible candidates/volunteers to vacancies
- deterring prospective candidates/volunteers who are unsuitable from applying for vacancies
- identifying and rejecting those candidates/volunteers who are unsuitable to work with children and young people
- operating such procedures consistently and thoroughly while obtaining, collating, analysing and evaluating information from and about applicants
- having an ongoing safe and secure environment for children by ensuring all staff are suitably trained in recognising and responding to signs of abuse
- ensuring that a fair and legal recruitment procedure is in place

Goonhavern Primary School is committed to using disciplinary procedures that deal effectively with those adults who fail to comply with the school's safeguarding and child protection procedures and practices.

As an employer we are under a duty to refer any allegation of abuse against a member of staff to the Local Authority Designated Officer within one working day of the allegation being made. A referral will be made if a teacher or member of staff (including volunteers) has:

- behaved in a way that has harmed a child, or may have harmed a child
- possibly committed a criminal offence against or related to a child
- behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children

As an employer we are under a duty to refer to the Disclosure and Barring Service (DBS), any member of staff who, following disciplinary proceedings, is dismissed because of misconduct towards a pupil and we may refer any concerns we have before the completion of this process.
