What should I know already?	What will I know by the end of the unit?
<ul style="list-style-type: none"> Sculpture is a 3-D art form 	I can describe what I can see and like in the work of Andy Goldsworthy
	I can ask sensible questions about a piece of art
	I can make an assemblage from found or natural materials on a large/ small scale
	I understand that sculpture does not have to be permanent and may take place outside the classroom
	I can develop an understanding about site specific and non-permanent sculpture
